

### 8" CHART RECORDERS

8" (203mm) chart recorders offer the largest resolution out of any chart recorders. All chart recorders feature a large 8" chart and user-selectable recording time-frames (1-day, 1-week, 1-month) and ranges.

Temperature and Temperature & Humidity units are compatible with Replaceable Sensors™, making calibrating your chart recorder easier than ever, and offer features such as displays, audible alarms, battery operation, and KTC probes.

Pressure units offer features such as splash-proof cases with IP66 rating, corrosion-resistant cases, and single AA battery operation.
